Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Sunday 10 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry overnight, rain spreading southeastwards on Monday.

This Evening and Tonight:
Cloudy and breezy but dry for most. Perhaps the odd clear spell after midnight. However there will be fog with further light rain and drizzle over the Derbyshire hills. Cold but largely frost free. Minimum temperature 1 deg C (34 deg F).

Monday:
Staying mostly cloudy and windy, although perhaps some brighter spells in the morning. Heavy rain and fog over the hills. Rain spreading southeastwards to all areas during the afternoon. Milder. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Tuesday, cold and dry after overnight rain clears south. Sunny spells developing and lighter winds. Wednesday, rain perhaps wintry at first, breezy later. Thursday, breezy with coastal showers, drier later.
